#### **20. DIRECTORS UPDATE**

**Director Spurlock started by recognizing the 2-year Anniversary of the Covid-19 pandemic on March 13, 2022. The Director also read the following statement:**

**“It has been almost two years since Covid shut down our school district. We have learned many things about our district during these past two years. We have identified strengths and we have identified areas to be strengthened. However, through it all our students, teachers, administrators, staff and central office personnel have persevered through many obstacles brought on by the pandemic. Through problem solving and determination, our school district was a Level 5 School this past year along with nine reward schools. However, there is much work ahead to advance our district to the heights we seek and desire.**

Recently the conversation about our district has shifted from a narrative of student success to the results of the Director of Schools evaluation. It should never be about the person who sits in this seat and always about the opportunities for success for every child in our school district. My contract with the school board is set to expire on June 30, 2023. I'm invested in this district not only as the Director of Schools but as a father and a grandfather. The future of our school district is very bright and will need someone to take it to the next level. While writing this statement I was reminded of a verse of scripture that captures my feelings when it pertains to Covid. I have fought the good fight, I have finished my course, I have kept my faith. Therefore, if it is the will of this Board, I am agreeable to negotiate terms to amend my contract."

Mrs. Johnson stated that she and the Director would get with Board Attorney Jeff Reed to work out terms and have conversations. Per statute, they will need to give 15 days' notice before a meeting can be called. The meeting has been set for Monday March 28, 2022 at 10:00 A.M. in the Central Office Board Room.

#### **RESIGNATION**

Should the Student Representative see fit to resign their position, they may do so by submitting a notarized letter to the Board and the Director of Schools at least two weeks before the effective date of their resignation.

## VACANCIES

Should a vacancy arise in the Student Representative position, the Deputy Student Representative will assume the position, and a search for a Deputy Student Representative will be carried out via the processes outlined in the “Election Procedures” section.
